You can change the CARE sheet to say that you want to do that. If it needs to be posted then that window has been missed. There is nothing filled out in the CARE sheet so I am not sure how staff are supposed to know what the expectations are.

Good Afternoon Partners:

Attached is the calendar for the next 20 days. Please let me know if you have any questions or concerns. Please share this with your respective outreach partners and senior lead officersd.

**CARE Hybrid: Will consist of the CARE team posting a location 24 hours ahead of time, and conducting a comprehensive clean up. It is intended for smaller locations.*

Best,
